**God calls us** to minister in today's world as women; within families; within the Body of Christ, the Church; in our communities and with global neighbors. **Baptist Women's Ministries challenges Christian believers to understand and be radically involved in the mission of God.**

Therefore, in commitment to Jesus Christ as Lord and Savior, our purpose is to provide opportunities, and encourage churches to provide opportunities, for Christians to

- *become and develop as God's people,*
- *support missions through prayer and giving,*
- *engage in local and global ministry,*
- *serve as advocates for women and girls,*
- *participate in the work of the church and denominations.*
